

Local Design/Construction Department (LDC)

Frequently Asked Questions

Please note: *Shepherd the Flock of God (sfl)* chapter 21 should be read in conjunction with this list of frequently asked questions.

No.	Question	Answer
1	What should we include in every correspondence with the LDC?	1. Congregation name. 2. Kingdom Hall name. The Kingdom Hall name is the same as the suburb where it is located.
2	Who can we contact if we need advice on the maintenance program or on how to handle minor repairs and replacements?	Please contact your Kingdom Hall maintenance trainer using the <i>Contacts Lookup</i> feature on jw.org It is expected that the majority of the maintenance and repair work will be handled by the congregations. See <i>sfl</i> 21:9
3	When should we contact the LDC for approval to perform work?	Below are some common areas: 1. Minor renovations and upgrades. 2. Installation of new equipment. 3. Any work that exceeds three months' worth of average Kingdom Hall operating expenses. See <i>sfl</i> 21:9, 22; Appendix A.
4	What information should we include when contacting the LDC for approval to perform work?	1. Clearly state the request: • Explain the total scope of work • For repair/replacement, why is the element not functional, or end of life^a? • Provide reasons for upgrades/new installations • Include photographs if applicable 2. Who will accomplish the work? 3. The total cost.
5	LDC is listed on the <i>Facility Condition Survey</i> (DC-96) to care for some follow-up points after the facility evaluation. What should the local congregations do?	These items will be cared for by the LDC in due course. Other than keeping up with scheduled maintenance inspections and minor repairs, no action is required from the local congregations unless directed otherwise.
6	We have heard there may be a renovation on our Kingdom Hall in the coming years. Should we continue with our maintenance program?	Yes, please continue to maintain your Kingdom Hall. If a project is scheduled at your Kingdom Hall, the bodies of elders will be notified by the branch office. See <i>sfl</i> 21:9,11,12
7	We have submitted an order for cabinetry or platform furniture. When will it arrive?	Cabinetry and platform furniture could take 6-12 weeks to arrive.

^a End of life is when the building element reaches the end of its service life, and that repair and maintenance are no longer practical or cost effective.
