The Watchtower - June 2026 | August 31-September 6, 2026 | Bilingual EN / TL

Every scripture below is taken only from the paragraph that the question covers. ANS1 = direct answer from the paragraph; ANS2 = a deeper spiritual insight drawn from that same paragraph.

JEHOVAH'S WITNESSES / MGA SAKSI NI JEHOVA

1-2. (a) How does Jehovah care for the spiritual needs of his people today? (Psalm 23:1, 2, 5) (b) What will we consider regarding Christian meetings?

1-2. (a) Ano ang ginagawa ni Jehova para sa bayan niya ngayon? (Awit 23:1, 2, 5) (b) Ano ang tatalakayin sa artikulong ito?

ANS1 — DIRECT

EN Jehovah cares for our spiritual needs by giving us abundant spiritual food, especially through congregation meetings. Even when the material is familiar, we still need reminders. The article will help us see why listening at meetings matters and how speakers can help others listen.

TL Inaalagaan ni Jehova ang spiritual needs natin sa pamamagitan ng saganang espirituwal na pagkain, lalo na sa mga pulong. Kahit familiar na ang aralin, kailangan pa rin natin ng paalala. Tatalakayin ng artikulo kung bakit mahalagang makinig at paano makakatulong ang mga nagtuturo.

ANS2 — DEEPER

EN Psalm 23 helps me see Jehovah as a Shepherd who feeds and refreshes his people. Meetings are not just a routine; they are one way Jehovah leads us to good spiritual pastures. So when I listen well, I am letting my Shepherd care for me.

TL Sa Awit 23, makikita ko si Jehova bilang Pastol na nagpapakain at nagpapaginhawa sa bayan niya. Hindi routine lang ang pulong; paraan ito ni Jehova para akayin tayo sa spiritual pasture. Kaya kapag nakikinig ako, hinahayaan kong alagaan ako ng Pastol ko.

REMEMBER THAT JEHOVAH IS SPEAKING TO US / SI JEHOVA ANG NAGTUTURO SA ATIN

3. *How does Jehovah speak to us, and how do his servants make good use of his Word?*

3. *Paano tayo kinakausap ni Jehova, at paano ginagamit ng mga lingkod niya ang Bibliya sa pagtuturo?*

ANS1 — DIRECT

EN Jehovah speaks to us through his Word, the Bible. Jesus used the Scriptures skillfully, and his listeners were moved. Paul and Apollos also reasoned from the Scriptures. Today, brothers who teach at meetings help us understand what Jehovah is saying through his Word.

TL Kinakausap tayo ni Jehova sa pamamagitan ng Bibliya. Mahusay gumamit si Jesus ng Kasulatan, kaya naantig ang mga nakikinig sa kaniya. Ganoon din sina Pablo at Apolos. Sa ngayon, ginagamit ng mga brother ang Bibliya para tulungan tayong maintindihan ang sinasabi ni Jehova.

ANS2 — DEEPER

EN Second Timothy 3:16, 17 reminds me that the Bible equips us completely. That shows Jehovah is not silent or distant. He teaches us in a reliable way, and like those who heard Jesus, I can be thrilled when God's Word becomes clearer to me.

TL Ipinapaalala ng 2 Timoteo 3:16, 17 na lubusan tayong nasasangkapan ng Bibliya. Ipinapakita nito na hindi tahimik o malayo si Jehova. Tinuturuan niya tayo sa maaasahang paraan, at gaya ng mga nakinig kay Jesus, puwede rin akong maantig kapag mas naintindihan ko ang Salita ng Diyos.

4. *What idea do the words "hear" and "listen" convey?*

4. *Sa Bibliya, saan kadalasang tumutukoy ang salitang "pakikinig"?*

ANS1 — DIRECT

EN In the Bible, "hear" and "listen" often carry the idea of obedience. So listening at meetings is more than hearing words. When Jehovah helps us understand his will, we show that we truly listened by obeying and acting on what we learned.

TL Sa Bibliya, ang "pakikinig" ay kadalasang tumutukoy sa pagsunod. Kaya hindi lang ito basta pagkarinig ng mga salita sa pulong. Kapag naintindihan natin ang kalooban ni Jehova, ipinapakita nating talagang nakinig tayo kung susundin at gagawin natin ito.

ANS2 — DEEPER

EN Proverbs 27:11 shows that my listening can make Jehovah's heart rejoice. That is a warm thought. My attention at meetings is not a small thing; it can become obedience that brings joy to Jehovah and strengthens my friendship with him.

TL Ipinapakita ng Kawikaan 27:11 na napapasaya ko ang puso ni Jehova kapag nakikinig at sumusunod ako. Nakakapagpatibay iyon. Hindi maliit na bagay ang pakikinig sa pulong; puwede itong maging pagsunod na nagpapasaya kay Jehova at nagpapatibay ng friendship ko sa kaniya.

WHY SHOULD WE LISTEN CAREFULLY AT MEETINGS? / BAKIT DAPAT TAYONG MAKINIG NANG MABUTI SA PULONG?

5. *What does our love for Jehovah move us to do? (John 4:23, 24; 1 John 5:3)*

5. *Dahil mahal natin si Jehova, napapakilos tayong gawin ang ano? (Juan 4:23, 24; 1 Juan 5:3)*

ANS1 — DIRECT

EN Our love for Jehovah moves us to listen to him, obey him, and worship him in the way he has set out in his Word. The more we learn about Jehovah at meetings, the more our love grows and the more we want to please him.

TL Dahil mahal natin si Jehova, gusto nating makinig sa kaniya, sumunod, at sambahin siya sa paraang itinuro niya sa Bibliya. Habang mas nakikilala natin siya sa mga pulong, mas lumalalim ang pag-ibig natin at mas gusto nating mapasaya siya.

ANS2 — DEEPER

EN John 4:23, 24 teaches that Jehovah wants worship in spirit and truth, not just outward routine. First John 5:3 adds that his commandments are not burdensome. So listening carefully is an act of love, not just a meeting habit.

TL Itinuturo ng Juan 4:23, 24 na gusto ni Jehova ang pagsamba sa espiritu at katotohanan, hindi basta routine lang. Idinadagdag ng 1 Juan 5:3 na hindi pabigat ang mga utos niya. Kaya ang pakikinig nang mabuti ay gawa ng pag-ibig, hindi lang habit sa pulong.

6. *At our meetings, what do we learn about helping others?*

6. *Ano ang isa sa mga natututuhan natin sa mga pulong?*

ANS1 — DIRECT

EN At meetings, Jehovah teaches us how to help fellow believers and people who do not know him yet. For example, we learn qualities and skills that help us in the ministry, such as how to speak kindly and have friendly conversations.

TL Sa mga pulong, tinuturuan tayo ni Jehova kung paano tutulungan ang mga kapatid at ang mga hindi pa nakakakilala sa kaniya. Halimbawa, natututo tayo ng mga katangian at skill sa ministeryo, gaya ng mabait at friendly na pakikipag-usap.

ANS2 — DEEPER

EN Matthew 22:39 reminds me that listening is connected with love for neighbor. If I pay attention, I may learn one simple skill that helps me comfort a brother or reach someone in the ministry. Jehovah trains us to become more loving.

TL Ipinapaalala ng Mateo 22:39 na konektado ang pakikinig sa pag-ibig sa kapuwa. Kapag nakikinig ako, baka may matutuhan akong simple skill para mapatibay ang kapatid o matulungan ang kausap sa ministeryo. Sinasanay tayo ni Jehova na maging mas maibigin.

7. *Why is it vital that we keep listening to Jehovah?*

7. *Bakit mahalagang patuloy tayong makinig kay Jehova?*

ANS1 — DIRECT

EN It is vital because listening to and obeying God's Word means life for us. Meetings give us the encouragement we need to wait with endurance for the new world and to stay spiritually alert during the last days.

TL Mahalaga ito dahil ang pakikinig at pagsunod sa Salita ng Diyos ay nangangahulugan ng buhay para sa atin. Sa mga pulong, natatanggap natin ang pampatibay para patuloy na maghintay sa bagong sanlibutan at manatiling gising sa espirituwal.

ANS2 — DEEPER

EN Deuteronomy 32:44-47 says God's word is our life, and Matthew 24:42-44 urges alertness. Jehovah is protecting us before danger comes. Listening now is like staying awake spiritually so we do not drift while waiting for his promises.

TL Sinasabi ng Deuteronomio 32:44-47 na ang salita ng Diyos ay buhay natin, at hinihimok tayo ng Mateo 24:42-44 na manatiling alerto. Pinoprotektahan tayo ni Jehova bago dumating ang panganib. Ang pakikinig ngayon ay paraan para manatiling gising sa espirituwal.

HOW TO HELP OTHERS TO LISTEN AT MEETINGS / KUNG PAANO TUTULUNGAN ANG MGA TAGAPAKINIG NA MAGPOKUS SA PULONG

8. *Why should brothers who teach from the platform continue to improve in their speaking ability?*

8. *Bakit dapat magsikap ang mga brother na nagpapahayag na patuloy na mapahusay ang paraan nila ng pagtuturo?*

ANS1 — DIRECT

EN Brothers who teach should keep improving because a well-prepared, Bible-based presentation can draw people to the truth and help fellow believers remain in the truth. So brothers with meeting parts should not underestimate the good they can do.

TL Dapat patuloy na mag-improve ang mga brother na nagtuturo dahil ang pinaghandaang mabuti at Bible-based na pahayag ay makakatulong sa iba na lumapit sa katotohanan at manatili rito. Kaya hindi dapat maliitin ng mga may bahagi ang nagagawa nilang mabuti.

ANS2 — DEEPER

EN Second Timothy 4:2 and Titus 1:9 show that teaching involves patience, encouragement, and holding firmly to the faithful word. This teaches me that Jehovah values careful instruction because it can protect faith and help listeners stay close to him.

TL Ipinapakita ng 2 Timoteo 4:2 at Tito 1:9 na ang pagtuturo ay kailangan ng tiyaga, pampatibay, at mahigpit na panghahawakan sa tapat na salita. Natututuhan ko na mahalaga kay Jehova ang maingat na pagtuturo dahil napoprotektahan nito ang pananampalataya.

9. *Why is it important for a talk to be easy to follow?*

9. *Bakit mahalaga na madaling sundan ang pahayag mo?*

ANS1 — DIRECT

EN It is important because listeners can become distracted if the material is too complicated. A speaker can help by making the main points clear at the start, covering them one at a time, pausing between points, and briefly reviewing them at the end.

TL Mahalaga ito dahil puwedeng ma-distract ang mga tagapakinig kung masyadong komplikado ang pahayag. Makakatulong kung malinaw ang main points sa simula, tatalakayin ang mga ito isa-isa, may pause sa pagitan, at may maikling review sa dulo.

ANS2 — DEEPER

EN This reminds me that loving teaching is not about sounding impressive. It is about making truth easy to follow so others can benefit. Even without a scripture in this paragraph, the point helps me imitate Jehovah's considerate way of teaching.

TL Paalala ito na ang mapagmahal na pagtuturo ay hindi tungkol sa pagpapahanga. Tungkol ito sa pagpapalinaw ng katotohanan para makinabang ang iba. Kahit walang tekstong binanggit sa parapo, tinutulungan ako nitong tularan ang considerate na paraan ni Jehova ng pagtuturo.

10. *Why is it important to get excited about the material?*

10. *Bakit mahalagang magustuhan mo ang paksang tatalakayin mo?*

ANS1 — DIRECT

EN It is important because enthusiasm grows when we develop points we personally love. By meditating on the assigned material and the scriptures, a speaker can find points that move his own heart, and that conviction can help the audience listen.

TL Mahalaga ito dahil mas magiging enthusiastic tayo kapag may mga punto tayong talagang gusto. Kapag binubulay-bulay ng speaker ang assigned material at mga teksto, makakahanap siya ng puntong makakaantig sa kaniya, at mararamdaman iyon ng audience.

ANS2 — DEEPER

EN Proverbs 2:4, 5 compares searching for wisdom to looking for treasure. That teaches me that excitement does not come from rushing. When I dig into Jehovah's thoughts, I find something precious, and then I can speak about it with real feeling.

TL Sa Kawikaan 2:4, 5, ang paghahanap ng karunungan ay parang paghahanap ng kayamanan. Natututuhan ko na hindi nanggagaling sa pagmamadali ang excitement. Kapag hinukay ko ang kaisipan ni Jehova, may makikita akong mahalaga at masasabi ko iyon nang may puso.

11. *Why is it helpful to give practical, specific suggestions in talks? (1 Timothy 4:13-16)*

11. *Ano ang puwede mong gawin para makinabang ang mga tagapakinig sa pahayag mo? (1 Timoteo 4:13-16)*

ANS1 — DIRECT

- EN** Practical, specific suggestions help listeners see how to apply the material in real life. Instead of giving only general information, a speaker should think about what the audience needs and use the Scriptures to give specific encouragement and direction.
- TL** Makakatulong ang praktikal at espesipikong mungkahi kasi makikita ng tagapakinig kung paano ia-apply ang aral sa buhay nila. Imbes na puro general information, dapat isipin ng speaker ang kailangan ng audience at gamitin ang Bibliya para magbigay ng malinaw na tulong.

ANS2 — DEEPER

- EN** First Timothy 4:13-16 shows that Paul gave Timothy specific counsel because he wanted him and his listeners to benefit. Jehovah's instruction is also practical. He does not merely tell us what is right; he helps us see how to live it.
- TL** Ipinapakita ng 1 Timoteo 4:13-16 na binigyan ni Pablo si Timoteo ng espesipikong payo para makinabang siya at ang mga nakikinig. Praktikal din ang turo ni Jehova. Hindi lang niya sinasabi kung ano ang tama; tinutulungan niya tayong maisabuhay ito.

12. *Why is it best to speak naturally when giving a talk?*

12. *Bakit magandang magsalita sa natural na paraan kapag nagpapahayag?*

ANS1 — DIRECT

- EN** Speaking naturally helps the audience listen and absorb the information more easily. Practicing out loud can help a speaker sound conversational and sincere instead of reading everything word for word. Speaking from the heart makes the talk more lively and motivating.
- TL** Mas madaling makinig at maintindihan ng audience kapag natural magsalita ang speaker. Makakatulong ang pagpa-practice nang malakas para maging conversational at sincere, hindi parang binabasa lang lahat. Kapag mula sa puso ang pagsasalita, mas lively at motivating ang pahayag.

ANS2 — DEEPER

- EN** This paragraph reminds me that effective teaching includes sincerity. Even without a cited scripture, the point is spiritual: people often listen better when they feel the speaker cares about the topic and about them. Warm delivery can help truth reach the heart.
- TL** Ipinapaalala ng parapo na kasama sa mahusay na pagtuturo ang sincerity. Kahit walang tekstong binanggit, spiritual ang punto: mas nakikinig ang mga tao kapag ramdam nilang mahal ng speaker ang paksa at ang audience. Ang warm delivery ay nakakaabot sa puso.

13. *Why should teachers in the congregation ask experienced speakers for counsel? (See also picture.)*

13. *Bakit dapat kang humingi ng payo sa mga makaranasan at mahuhusay na tagapagpahayag? (Tingnan din ang larawan.)*

ANS1 — DIRECT

EN Teachers should ask for counsel because all of us have blind spots. An experienced speaker may see whether our points are clear and helpful. By sharing notes beforehand and accepting suggestions, a brother can improve as a speaker and teacher.

TL Dapat humingi ng payo ang mga nagtuturo dahil lahat tayo may blind spots. Makikita ng experienced speaker kung malinaw at helpful ang mga punto natin. Kapag ipinakita muna ang notes at tinanggap ang mungkahi, mas gagaling ang isang brother bilang teacher.

ANS2 — DEEPER

EN Proverbs 1:5 says a wise person listens and takes in more instruction. That helps me see counsel as a gift, not criticism. Jehovah can use experienced brothers to help me improve so my teaching benefits the congregation more.

TL Sinasabi ng Kawikaan 1:5 na ang marunong ay nakikinig at tumatanggap ng higit pang turo. Nakakatulong ito na makita ang payo bilang regalo, hindi pamimintas. Puwedeng gamitin ni Jehova ang experienced brothers para mas makatulong ang pagtuturo ko sa kongregasyon.

HOW TO BECOME A BETTER LISTENER / KUNG PAANO MAS MAKAKAPAGPOKUS SA PAKIKINIG

14. Why should we cultivate the attitude of the writer of Psalm 119 ? (Psalm 119:24, 111, 167)

14. Bakit dapat nating tularan ang pananaw ng manunulat ng Awit 119 ? (Awit 119:24, 111, 167)

ANS1 — DIRECT

EN We should imitate the writer of Psalm 119 because he deeply appreciated Jehovah's reminders. We need those reminders to cope with these critical times. If a subject sounds familiar, we can still listen with appreciation instead of thinking we have heard it all before.

TL Dapat nating tularan ang manunulat ng Awit 119 dahil pinahalagahan niya nang husto ang mga paalala ni Jehova. Kailangan natin ang mga paalalang iyon sa mahirap na panahong ito. Kahit familiar ang paksa, puwede pa rin tayong makinig nang may pagpapahalaga.

ANS2 — DEEPER

EN Psalm 119:24, 111, 167 shows a heart that delights in Jehovah's reminders. That teaches me to value repeated counsel. Jehovah repeats important truths because he loves us and knows we need protection, comfort, and direction again and again.

TL Makikita sa Awit 119:24, 111, 167 ang puso na nalulugod sa mga paalala ni Jehova. Natututuhan kong pahalagahan ang paulit-ulit na payo. Inuulit ni Jehova ang mahahalagang katotohanan dahil mahal niya tayo at alam niyang kailangan natin ng proteksiyon at patnubay.

15. How can we maintain our appreciation for the spiritual food we receive at meetings?

15. Paano natin mapapanatili ang pagpapahalaga sa espirituwal na pagkaing natatanggap natin sa mga pulong?

ANS1 — DIRECT

EN We maintain appreciation by keeping a positive view of spiritual food and never treating it as common. The Israelites at first appreciated the manna but later grew tired of it. We should avoid that attitude and value every reminder from Jehovah.

TL Mapapanatili natin ang pagpapahalaga kung patuloy nating ituturing na mahalaga ang spiritual food at hindi ito magiging ordinaryo sa atin. Noong una, pinahalagahan ng Israelita ang manna pero nagsawa sila. Dapat iwasan natin ang ganitong attitude sa mga paalala ni Jehova.

ANS2 — DEEPER

EN Exodus 16 shows that manna came from Jehovah and sustained life, while John 17:3 connects knowing Jehovah with everlasting life. This teaches me that spiritual food is not ordinary information. It is Jehovah's loving provision to keep us alive spiritually.

TL Ipinapakita ng Exodo 16 na ang manna ay galing kay Jehova at nagpapanatili ng buhay, at inuugnay ng Juan 17:3 ang pagkilala kay Jehova sa buhay na walang hanggan. Kaya ang spiritual food ay hindi ordinary information; probisyon ito ni Jehova para mabuhay tayo spiritually.

16. *What has helped some longtime servants of Jehovah to keep listening attentively at meetings? (See also the box “ Tips for Listening Well .”)*

16. *Paano nakakapagpokus sa pulong ang ilang matatagal nang lingkod ni Jehova? (Tingnan din ang kahong “ Mga Tip Para Makapagpokus sa Pakikinig .”)*

ANS1 — DIRECT

- EN** Some longtime servants keep listening by preparing, looking for fresh angles in familiar subjects, taking notes, listening for something that helps someone else, and praying for attention. These practical steps help them stay focused instead of letting their mind wander.
- TL** Nakakapagpokus ang ilang longtime servants sa pamamagitan ng paghahanda, paghahanap ng bagong anggulo sa familiar na paksa, pagno-notes, pakikinig ng puntong makakatulong sa iba, at pananalangin para makapagpokus. Nakakatulong ito para hindi gumala ang isip.

ANS2 — DEEPER

- EN** This paragraph teaches me that good listening is intentional. Even after many years in the truth, faithful servants keep working at it. That humility draws us closer to Jehovah because we keep expecting him to teach us something useful.
- TL** Natututuhan ko na intentional ang mahusay na pakikinig. Kahit maraming taon na sa katotohanan, nagsisikap pa rin ang tapat na mga lingkod. Nakakapagpalapít ito kay Jehova dahil patuloy tayong umaasang may ituturo siyang kapaki-pakinabang.

TIPS FOR LISTENING WELL / MGA TIP PARA MAKAPAGPOKUS SA PAKIKINIG

17. *What can you do to listen attentively at meetings? (See also picture.)*

17. *Ano ang mga puwede mong gawin para mas makapagpokus ka sa pulong? (Tingnan din ang larawan.)*

ANS1 — DIRECT

EN We can take practical steps: eat lightly so we stay alert, arrive early, silence devices, anticipate what will be covered, focus on the speaker, take brief notes or simple drawings, and pray for help to concentrate and benefit from the meeting.

TL Puwede tayong gumawa ng practical steps: kumain nang magaan para alerto, dumating nang maaga, i-silent ang devices, isipin ang posibleng tatalakayin, magpokus sa speaker, gumawa ng maikling notes o drawings, at manalangin para makapag-concentrate.

ANS2 — DEEPER

EN This paragraph reminds me that attention is something I can prepare for. Even without a cited scripture, the application is spiritual. If I remove distractions and pray for help, I show Jehovah that I value the meal he prepared for me.

TL Paalala ito na puwede kong paghandaan ang pakikinig. Kahit walang binanggit na teksto, spiritual ang application. Kapag inalis ko ang distractions at nanalangin, ipinapakita ko kay Jehova na pinapahalagahan ko ang pagkaing inihanda niya para sa akin.

18. *Why should we keep listening at meetings?*

18. *Bakit dapat tayong patuloy na makinig sa mga pulong?*

ANS1 — DIRECT

EN We should keep listening because through meetings Jehovah leads us in “the paths of righteousness.” We need corrective counsel so we do not drift off course. If we pay attention and apply the guidance, we can be happy now and gain everlasting life.

TL Dapat tayong patuloy na makinig dahil sa mga pulong, inaakay tayo ni Jehova sa “mga landas ng katuwiran.” Kailangan natin ng pagtutuwid para hindi maligaw ng landas. Kung makikinig at mag-a-apply tayo, magiging masaya tayo ngayon at magkakaroon ng buhay na walang hanggan.

ANS2 — DEEPER

EN Psalm 23:3 and Luke 8:18 show that listening affects our direction. Jehovah lovingly guides us before we get lost. So meetings are not just information sessions; they are part of Jehovah's way of keeping me on the road to life.

TL Ipinapakita ng Awit 23:3 at Lucas 8:18 na may epekto sa direksiyon natin ang pakikinig. Maibiging ginagabayan tayo ni Jehova bago tayo maligaw. Kaya ang pulong ay hindi lang information; bahagi ito ng paraan ni Jehova para manatili ako sa daan ng buhay.
