Re: Approval of New Congregation

Dear Brothers:

We are happy to inform you that the application submitted for the Ashburton Tagalog Congregation of Jehovah's Witnesses, Ashburton, New Zealand, has been approved. It will begin to function on **November 1, 2026**.

Please be assured of our warm Christian love and best wishes.

Your brothers,

*Christian Congregation of
Jehovah's Witnesses (Australasia)*

c: Christchurch Tagalog - Christchurch (3756)
Daniel Martin (NZ- 1)
Anthony Radi (NZ- 2)

PS to the body of elders:

Please arrange for this letter to be read to the congregation at the first midweek meeting after its receipt. Thereafter, it should be posted on the information board. However, **this postscript should neither be read to the congregation nor be posted on the information board.**

The new congregation has been assigned to Circuit NZ- 2, with Brother Anthony Radi serving as the circuit overseer. He will inform the congregation of the circuit assembly arrangements and the dates he will serve the congregation. The congregation number is 3814, and it should be shown on correspondence sent to the branch office. The first field service report should be submitted after the end of November.

In due course, territory assignments will be issued. In the meantime, please work the territory boundaries outlined in the *Territory Adjustment Request* (S-6) forms submitted with the *Congregation Application/Information* (S-51) form.

A domain will be created for the new congregation on JW Hub. The congregation person records for the coordinator of the body of elders and the secretary will automatically be transferred to the new congregation during the month before the congregation begins to function. These brothers will have access to both their current congregation's domain and the new congregation's domain during this period. Their access to their former congregation's domain will automatically be removed on the date the new congregation begins to function.

On or shortly after the date the new congregation begins to function, the secretary(ies) of the former congregation(s) should send a letter of introduction and the *Congregation's Publisher Records* (S-21) to the appropriate congregation for each publisher or household.—See the *Shepherd* book, chapter 14, paragraph 26, and chapter 22, paragraph 6, for additional direction.

On or shortly after the date the new congregation begins to function, the secretary(ies) of the former congregation(s) should also transfer the congregation person records for publishers moving to the new congregation, using the Congregation Persons feature on JW Hub. Thereafter, the Congregation Service Committee of the new congregation should submit recommendations for the reappointment of elders and ministerial servants, using the *Recommendations for Appointment of Elders and Ministerial Servants* (S-62) form. It will not be necessary to submit recommendations for the brothers assigned as the coordinator of the body of elders and the secretary in the new congregation.—See *Instructions for Congregation Use of JW Hub* (S-135).
