

How to Remain Loyal When We Face Tests of Faith - Bilingual (EN / TL)

The Watchtower - June 2026 | August 10-16, 2026 | Bilingual EN / TL

Song 122 & 123 | "Lord, whom shall we go away to? You have sayings of everlasting life." - John 6:68

Awit Blg. 122 & 123 | "Panginoon, kanino kami pupunta? Nasa iyo ang mga salitang nagbibigay ng buhay na walang hanggan." - Juan 6:68

Every scripture below is taken only from the paragraph that the question covers. ANS1 = direct answer from the paragraph; ANS2 = a deeper spiritual insight drawn from that same paragraph.

1-2. What happened as Jesus was teaching in Capernaum?

1-2. Ano ang nangyari noong nagtuturo si Jesus sa Capernaum?

ANS1 — DIRECT

EN While Jesus was teaching in Capernaum, many disciples were shocked by his words about eating his flesh and drinking his blood. They had previously been impressed by his works and even recognized him as the Prophet who was to come. But when they faced a test of faith, they were offended and stopped following him. (**John 6:60; John 6:53, 54; John 6:14**)

TL Noong nagtuturo si Jesus sa Capernaum, marami sa mga alagad niya ang nagulat sa sinabi niya tungkol sa pagkain ng kaniyang laman at pag-inom ng kaniyang dugo. Dati, hanga sila sa ginawa ni Jesus at kinilala pa siyang Propeta na darating. Pero nang masubok ang pananampalataya nila, hindi nila ito natanggap at tumigil sila sa pagsunod. (**Juan 6:60; Juan 6:53, 54; Juan 6:14**)

ANS2 — DEEPER

EN This teaches me that faith based only on excitement can weaken when something is hard to understand. Those disciples had seen powerful evidence, but offense replaced loyalty. Jehovah wants our faith to go deeper than emotion. When I do not fully understand something, that is when I need humility, patience, and trust.

TL Itinuturo nito na ang pananampalatayang nakabase lang sa excitement ay puwedeng humina kapag may hindi maintindihan. Nakakita na ang mga alagad na iyon ng matibay na ebidensiya, pero napalitan ng pagkatisod ang loyalty nila. Gusto ni Jehova na mas malalim ang faith natin kaysa emotion.

3. *How did the apostles react to Jesus' words, and why? (See also picture.)*

3. *Ano ang naging reaksiyon ng mga apostol sa sinabi ni Jesus, at bakit? (Tingnan din ang larawan.)*

ANS1 — DIRECT

EN The apostles reacted with loyalty. Peter said: "Lord, whom shall we go away to? You have sayings of everlasting life." They may not have fully understood Jesus' words, but they stayed because they were convinced of who he was. Their faith rested on the truth that Jesus was the Christ of God and had Jehovah's support. (**John 6:68, 69; Luke 9:20, 35**)

TL Iba ang naging reaksiyon ng mga apostol. Sinabi ni Pedro: "Panginoon, kanino kami pupunta? Nasa iyo ang mga salitang nagbibigay ng buhay na walang hanggan." Maaaring hindi pa nila lubusang naintindihan ang sinabi ni Jesus, pero nanatili sila dahil kumbinsido sila kung sino siya. Naniniwala silang si Jesus ang Kristo ng Diyos at sinusuportahan siya ni Jehova. (**Juan 6:68, 69; Lucas 9:20, 35**)

ANS2 — DEEPER

EN Peter's answer helps me see what loyalty looks like when understanding is incomplete. He did not say, "We understand everything." He said, in effect, "We know whom we trust." That draws me closer to Jehovah because he does not ask us to know every detail immediately. He asks us to trust what we already know is true.

TL Tinutulungan ako ng sagot ni Pedro na makita kung ano ang loyalty kapag hindi pa kumpleto ang understanding. Hindi niya sinabing, "Naiintindihan namin ang lahat." Parang sinabi niya, "Alam namin kung kanino kami nagtitiwala." Hindi hinihiling ni Jehova na alam natin agad ang bawat detalye; gusto niyang magtiwala tayo sa alam nating totoo.

4. *What tests might we face?*

4. *Ano ang mga posibleng sumubok sa katapatan natin kay Jehova?*

ANS1 — DIRECT

EN Our loyalty to Jehovah can be tested in several ways. We may learn of an adjustment in understanding or a change in how the disciple-making work is organized. We may struggle to understand why Jehovah allows a tragedy. Our faith can also be tested when a close friend hurts us or when someone we respect treats us unfairly.

TL Puwedeng masubok ang katapatan natin kay Jehova sa iba't ibang paraan. Baka magkaroon ng adjustment sa pagkaunawa natin sa isang teksto o pagbabago sa paraan ng pangangaral. Baka mahirapan tayong maintindihan kung bakit hinayaan ni Jehova ang isang trahedya. Puwede ring masubok tayo kapag nasaktan tayo ng malapít na kaibigan o ng taong iginagalang natin.

ANS2 — DEEPER

EN This paragraph is realistic. It shows that tests of faith are not always persecution from outside. Sometimes the test is confusion, pain, disappointment, or hurt feelings. Since no scripture is cited in the paragraph, I would keep the point simple: Jehovah knows loyalty can be tested in very personal ways, and he can help us stay close to him through them.

TL Realistic ang paragraph na ito. Ipinapakita nitong hindi lang persecution mula sa labas ang sumusubok sa faith. Minsan ang test ay confusion, pain, disappointment, o nasaktang damdamin. Dahil walang binanggit na teksto rito, simple ang punto: alam ni Jehova na personal ang ilang pagsubok, at kaya niya tayong tulungang manatiling malapít.

5. *Illustrate why our faith needs to be built on a strong foundation. (Colossians 1:23)*

5. *Bakit dapat nating patibayin ang pananampalataya natin? Magbigay ng ilustrasyon. (Colosas 1:23)*

ANS1 — DIRECT

- EN** Our faith needs a strong foundation because tests of faith can shake us, just as earthquakes shake buildings. A building in an earthquake-prone area needs a solid foundation to survive. Similarly, if we keep strengthening the foundation of our faith, we can remain steadfast and loyal when trials come. (1 **Corinthians 15:58; Colossians 1:23**)
- TL** Kailangang matibay ang pundasyon ng pananampalataya natin dahil puwede tayong mayanig ng mga pagsubok, gaya ng building na nayayanig ng lindol. Para hindi gumuho ang building, kailangan nito ng matibay na pundasyon. Sa katulad na paraan, kung patuloy nating pinatitibay ang faith natin, mananatili tayong matatag at tapat kapag may pagsubok. (1 **Corinto 15:58; Colosas 1:23**)

ANS2 — DEEPER

- EN** Colossians 1:23 teaches me that faith must be stable, not temporary. Jehovah is loving because he tells us to strengthen the foundation before the earthquake comes. Spiritual preparation is not fear; it is wisdom. When my faith is built on solid truths, trials may shake me emotionally, but they do not have to move me away from Jehovah.
- TL** Itinuturo ng Colosas 1:23 na ang pananampalataya ay dapat matatag, hindi pansamantala. Maibigin si Jehova dahil sinasabi niyang patibayin ang pundasyon bago dumating ang lindol. Ang spiritual preparation ay hindi takot; wisdom ito. Kapag matibay ang foundation ng faith ko, puwede akong mayanig emotionally pero hindi kailangang lumayo kay Jehova.

6. *What helped the apostles to remain loyal to Jesus?*

6. *Ano ang nakatulong sa mga apostol na manatiling tapat kay Jesus?*

ANS1 — DIRECT

EN Three truths helped the apostles remain loyal to Jesus. They were convinced that Jehovah is worthy of worship because he made all things; that Jesus is God's Son and has sayings of everlasting life; and that Jesus has Jehovah's support. The article focuses on three similar truths that help us remain loyal today.

TL Tatlong katotohanan ang nakatulong sa mga apostol na manatiling tapat kay Jesus. Kumbinsido sila na karapat-dapat sambahin si Jehova dahil siya ang lumalang sa lahat; na si Jesus ang Anak ng Diyos at nasa kaniya ang mga salitang nagbibigay ng buhay; at na sinusuportahan ni Jehova si Jesus. Tatalakayin din sa artikulo ang tatlong katotohanang tutulong sa atin.

ANS2 — DEEPER

EN This paragraph shows that loyalty grows from conviction. The apostles were not simply attached to a group; they were convinced about Jehovah, Jesus, and divine backing. Since no scripture is cited in the paragraph, the application is simple: when my loyalty is based on truth, not just routine, I can remain steady when emotions are tested.

TL Ipinapakita nito na ang loyalty ay galing sa conviction. Hindi lang attached ang mga apostol sa isang grupo; kumbinsido sila tungkol kay Jehova, kay Jesus, at sa suporta ng Diyos. Dahil walang binanggit na teksto rito, simple ang application: kapag nakabase sa katotohanan ang loyalty ko, hindi lang routine, mananatili akong matatag.

JEHOVAH IS THE CREATOR / SI JEHOVA ANG MAYLALANG

7. *Of what does Revelation 4:11 remind us, but what might happen when we face tests of faith?*

7. *Ano ang sinasabi ng Apocalipsis 4:11 tungkol kay Jehova, at paano iyan makakatulong sa atin kapag may pinagdadaanan tayo?*

ANS1 — DIRECT

EN Revelation 4:11 reminds us that Jehovah created all things, so he is worthy of our worship. Meditating on his power convinces us that he can deliver us from trials. But Satan spreads propaganda to make people doubt God's existence. If we are not fully convinced that Jehovah is the Creator and loves us, tests of faith may make us doubt that he will help us. (**Revelation 4:11; Hebrews 11:6**)

TL Ipinaaalala ng Apocalipsis 4:11 na nilalang ni Jehova ang lahat ng bagay, kaya karapat-dapat siyang sambahin. Kapag pinag-iisipan natin ang kapangyarihan niya, nagiging kumbinsido tayo na kaya niya tayong tulungan sa mga pagsubok. Pero nagpapakalat si Satanas ng kasinungalingan para pagdudahan ng tao ang Diyos. Kung hindi tayo kumbinsidong si Jehova ang Maylalang at mahal niya tayo, baka magduda tayo kapag may pagsubok. (**Apocalipsis 4:11; Hebreo 11:6**)

ANS2 — DEEPER

EN Revelation 4:11 helps me connect creation with trust. If Jehovah made all things, then no trial is bigger than his power. Hebrews 11:6 adds that faith includes believing that he rewards those seeking him. So Jehovah is not only powerful; he is caring. That combination strengthens loyalty.

TL Tinutulungan ako ng Apocalipsis 4:11 na iugnay ang paglalang sa pagtitiwala. Kung nilalang ni Jehova ang lahat, walang pagsubok na mas malaki kaysa kapangyarihan niya. Idinadagdag ng Hebreo 11:6 na ginagantimpalaan niya ang humahanap sa kaniya. Kaya si Jehova ay hindi lang makapangyarihan; mapagmalasakit din siya.

8-9. *What should you do if you start to doubt that Jehovah is the Creator? (See also picture.)*

8-9. *Ano ang dapat mong gawin kung nagsisimula ka nang magduda na si Jehova ang Maylalang? (Tingnan din ang larawan.)*

ANS1 — DIRECT

EN If we start to doubt that Jehovah is the Creator, we should take immediate action. We can research our publications, such as Was Life Created?, The Origin of Life, the "Was It Designed?" series, and Is There a Creator Who Cares About You? Studying evidence for God's existence strengthens faith, reveals Jehovah's personality, and equips us to help others. (**Romans 1:20**)

TL Kung nagsisimula tayong magduda na si Jehova ang Maylalang, dapat tayong kumilos agad. Puwede tayong mag-research sa mga publikasyon natin, gaya ng Saan Nagmula ang Buhay?, The Origin of Life, seryeng "May Nagdisenyo Ba Nito?," at Is There a Creator Who Cares About You? Ang pag-aaral ng ebidensiya tungkol sa Diyos ay magpapatibay ng faith at makakatulong din sa iba. (**Roma 1:20**)

ANS2 — DEEPER

EN Romans 1:20 teaches me that Jehovah has not hidden himself. Creation gives evidence of his power and qualities. I appreciate that the paragraph says to act immediately when doubts begin. Jehovah gives us abundant evidence, but we must care enough about our faith to examine it and make it our own.

TL Itinuturo ng Roma 1:20 na hindi itinago ni Jehova ang kaniyang sarili. Ang creation ay nagbibigay ng ebidensiya ng kapangyarihan at mga katangian niya. Nagustuhan ko na sinasabi ng paragraph na kumilos agad kapag nagsisimula ang doubt. Nagbibigay si Jehova ng maraming ebidensiya, pero kailangan nating suriin ito at gawing personal ang faith.

JEHOVAH INSPIRED THE BIBLE / MULA KAY JEHOVA ANG BIBLIYA

10. *How do we view the Bible? (2 Timothy 3:16, 17)*

10. *Bakit napakahalaga sa atin ng Bibliya? (2 Timoteo 3:16, 17)*

ANS1 — DIRECT

EN We view the Bible as a message from Jehovah to mankind. It answers life's important questions, explains Jehovah's will, and tells us what he wants us to do. Because we believe Jehovah is the Author of the Bible, it is the most important book in our life, and we want to understand and apply it. (2 Timothy 3:16, 17)

TL Itinuturing natin ang Bibliya bilang mensahe ni Jehova para sa tao. Sinasagot nito ang mahahalagang tanong sa buhay, ipinapaliwanag ang kalooban ni Jehova, at sinasabi kung ano ang gusto niyang gawin natin. Dahil naniniwala tayong si Jehova ang Awtor ng Bibliya, ito ang pinakamahalagang aklat sa buhay natin, at gusto natin itong maintindihan at maisabuhay. (2 Timoteo 3:16, 17)

ANS2 — DEEPER

EN Second Timothy 3:16, 17 teaches me that Jehovah does not leave us without direction. He speaks through a book that can teach, correct, and equip us. That draws me closer to him because the Bible is not just information. It is Jehovah lovingly preparing us to live in a way that pleases him.

TL Itinuturo ng 2 Timoteo 3:16, 17 na hindi tayo iniwan ni Jehova na walang direction. Nagsasalita siya sa pamamagitan ng aklat na nagtuturo, nagtutuwid, at nagsasanay sa atin. Mas napapalapit ako sa kaniya dahil ang Bibliya ay hindi lang information; paraan ito ni Jehova para ihanda tayong mamuhay sa paraang nagpapasaya sa kaniya.

11. *What convinces you that the Bible is inspired of God?*

11. *Ano ang nakakumbinsi sa iyo na mula sa Diyos ang Bibliya?*

ANS1 — DIRECT

EN Many things convince us that the Bible is inspired of God. It is historically accurate, accurate when discussing the natural world, widely distributed despite opposition, and harmonious though written by about 40 men over 1,600 years. Its timeless advice helps millions, and many prophecies have been fulfilled. (**Luke 3:1, 2; Job 26:7; Proverbs 13:20; 15:21; Matthew 7:12; Joshua 23:14**)

TL Maraming bagay ang nakakumbinsi sa atin na mula sa Diyos ang Bibliya. Tumpak ito sa kasaysayan at sa sinasabi nito tungkol sa kalikasan. Pinakalaganap itong aklat kahit sinikap ni Satanas na alisin ito. Magkakasuwato ang laman nito kahit isinulat ng mga 40 lalaki sa loob ng 1,600 taon. Nakakatulong ang payo nito, at maraming hula nito ang natupad. (**Lucas 3:1, 2; Job 26:7; Kawikaan 13:20; 15:21; Mateo 7:12; Josue 23:14**)

ANS2 — DEEPER

EN Joshua 23:14 reminds me that Jehovah's promises do not fail. The Bible's accuracy and fulfilled prophecy show that its Author sees more than humans can see. That strengthens loyalty because when a test of faith comes, I am not trusting human guesses. I am trusting the reliable Word of Jehovah.

TL Ipinaaalala ng Josue 23:14 na hindi nabibigo ang mga pangako ni Jehova. Ang accuracy ng Bibliya at natupad na mga hula ay nagpapakitang ang Awtor nito ay nakakakita nang higit kaysa tao. Pinapatibay nito ang loyalty ko dahil kapag may test of faith, hindi hula ng tao ang pinagkakatiwalaan ko; Salita ni Jehova.

12. *What should we do if we begin to have doubts that the Bible is inspired of God?*

12. *Ano ang dapat nating gawin kung nagsisimula na tayong magduda na mula sa Diyos ang Bibliya?*

ANS1 — DIRECT

EN If doubts begin, we should pray and then act in harmony with our prayers. Like Jordan, we may need to think things through and do research in our publications to resolve questions. As we keep strengthening our conviction that Jehovah inspired the Bible, we strengthen the foundation of our faith. (**1 Corinthians 3:12, 13**)

TL Kung nagsisimula ang pagdududa, dapat natin itong ipanalangin at kumilos ayon sa panalangin natin. Gaya ni Jordan, baka kailangan nating pag-isipan ang mga bagay at mag-research sa mga publikasyon para masagot ang mga tanong. Habang pinatitibay natin ang tiwalang mula kay Jehova ang Bibliya, tumitibay ang pundasyon ng pananampalataya natin. (**1 Corinto 3:12, 13**)

ANS2 — DEEPER

EN First Corinthians 3:12, 13 helps me picture faith as something we build with quality materials. Jehovah is patient with sincere questions, but he expects us to build. Prayer plus research shows humility. Instead of letting doubts sit and weaken us, we bring them to Jehovah and look for answers.

TL Tinutulungan ako ng 1 Corinto 3:12, 13 na makita ang faith bilang bagay na itinatayo gamit ang matibay na materyales. Matiisin si Jehova sa sincere questions, pero inaasahan niyang kikilos tayo. Ang panalangin at research ay nagpapakita ng humility. Hindi natin hinahayaang lumaki ang doubts; inilalapit natin ito kay Jehova.

JEHOVAH IS BACKING HIS PEOPLE TODAY / ANG MGA SAKSI NI JEHOVA ANG BAYAN NG DIYOS SA NGAYON

13. *What should we do if we start to have doubts about who God's people are today?*

13. *Ano ang dapat nating gawin kung nagsisimula na tayong magduda kung sino talaga ang bayan ng Diyos sa ngayon?*

ANS1 — DIRECT

EN If we begin to doubt who God's people are today, we should not let those doubts fester. We can ask: Who is doing their best to live by Bible standards? Who views the Bible as the authority on all matters? Who is doing Jehovah's will today? Thinking on those questions helps us resolve doubts. (2 Timothy 4:3, 4; Matthew 7:20, 21)

TL Kung nagsisimula tayong magduda kung sino ang bayan ng Diyos ngayon, hindi natin dapat hayaang tumagal ang pagdududa. Puwede nating itanong: Sino ang nagsisikap mamuhay ayon sa pamantayan ng Bibliya? Sino ang gumagamit sa Bibliya bilang authority sa lahat ng bagay? Sino ang gumagawa ng kalooban ni Jehova ngayon? (2 Timoteo 4:3, 4; Mateo 7:20, 21)

ANS2 — DEEPER

EN Matthew 7:20, 21 helps me see that Jehovah wants us to look at fruit and obedience, not claims alone. This is reassuring. Jehovah does not ask for blind loyalty. He gives us a way to reason on evidence and see where his will is being done.

TL Tinutulungan ako ng Mateo 7:20, 21 na makita na gusto ni Jehova na tumingin tayo sa bunga at pagsunod, hindi sa claims lang. Nakakapagpatibay ito. Hindi humihingi si Jehova ng blind loyalty. Binibigyan niya tayo ng paraan para mangatuwiran sa ebidensiya at makita kung saan ginagawa ang kalooban niya.

14. How are Jehovah's Witnesses being used to fulfill Matthew 24:14?

14. Bakit masasabing ang mga Saksi ni Jehova ang ginagamit ng Diyos para tuparin ang hula sa Mateo 24:14?

ANS1 — DIRECT

EN Jehovah's Witnesses are being used to fulfill Matthew 24:14 by preaching the good news of the Kingdom worldwide. Jesus foretold that this work would take place in the last days. God's people are preaching in over 240 lands and have stayed focused on this preaching and teaching work for more than 100 years. (**Matthew 24:14; Matthew 28:19, 20**)

TL Ginagamit ang mga Saksi ni Jehova para tuparin ang Mateo 24:14 dahil ipinapangaral nila sa buong lupa ang mabuting balita ng Kaharian. Inihula ni Jesus na mangyayari ito sa mga huling araw. Nangangaral ang bayan ng Diyos sa mahigit 240 lupain, at mahigit 100 taon na nilang pinagtutuunan ang pangangaral at pagtuturo. (**Mateo 24:14; Mateo 28:19, 20**)

ANS2 — DEEPER

EN Matthew 24:14 helps me see Jehovah's purpose moving forward globally. The preaching work is not just an activity; it is evidence that Jehovah is using his people. That strengthens loyalty because I can see that Jehovah's organization remains focused on what Jesus said must be done.

TL Tinutulungan ako ng Mateo 24:14 na makita na sumusulong sa buong mundo ang layunin ni Jehova. Ang pangangaral ay hindi lang activity; ebidensiya ito na ginagamit ni Jehova ang bayan niya. Pinapatibay nito ang loyalty ko dahil nakikita kong nakapokus pa rin ang organisasyon sa ipinagawa ni Jesus.

15. *How do Jehovah's Witnesses contribute to sanctifying God's name today? (Matthew 6:9; Isaiah 43:10)*

15. *Paano napapabanal ng mga Saksi ni Jehova ang pangalan ng Diyos? (Mateo 6:9; Isaias 43:10)*

ANS1 — DIRECT

EN Jehovah's Witnesses contribute to sanctifying God's name by proudly bearing the name Jehovah and restoring it to its rightful place in the Bible. Many people do not know God's name, but the New World Translation includes Jehovah's name more than 7,000 times in the main text. We help others know and honor that name. (**Matthew 6:9; Isaiah 43:10**)

TL Napapabanal ng mga Saksi ni Jehova ang pangalan ng Diyos dahil ipinagmamalaki nilang dala nila ang pangalang Jehova at sinikap nilang ibalik ito sa tamang puwesto sa Bibliya. Marami ang hindi nakakakilala sa pangalan ng Diyos, pero sa Bagong Sanlibutang Salin, lumitaw ang pangalang Jehova nang mahigit 7,000 beses. (**Mateo 6:9; Isaias 43:10**)

ANS2 — DEEPER

EN Matthew 6:9 shows that sanctifying Jehovah's name was important to Jesus. Isaiah 43:10 shows that Jehovah wants witnesses who identify him. That makes our name meaningful. Being called Jehovah's Witnesses is not a label of pride; it is a responsibility to help people know the God behind the name.

TL Ipinapakita ng Mateo 6:9 na mahalaga kay Jesus ang pagpapabanal sa pangalan ni Jehova. Ipinapakita ng Isaias 43:10 na gusto ni Jehova ng mga saksi na magpapakilala sa kaniya. Kaya makahulugan ang pangalan natin. Hindi ito label para magyabang; responsibilidad ito na tulungan ang iba na makilala ang Diyos.

16. *Why can we say that Jehovah's Witnesses are obeying the commandment found at John 13:34, 35? (See also picture.)*

16. *Paano natin nasabi na sinusunod ng mga Saksi ni Jehova ang utos sa Juan 13:34, 35? (Tingnan din ang larawan.)*

ANS1 — DIRECT

EN We can say Jehovah's Witnesses obey John 13:34, 35 because our brotherhood shows love and unity in a divided world. We come from many backgrounds and places, yet we work to maintain peace and love among ourselves. Seeing this love, even in another congregation or country, strengthens our conviction that Jehovah is using his people. (**John 13:34, 35**)

TL Masasabi nating sinusunod ng mga Saksi ni Jehova ang Juan 13:34, 35 dahil nakikita sa kapatiran natin ang pag-ibig at pagkakaisa sa mundong hati-hati. Galing tayo sa iba't ibang background at lugar, pero sinisikap nating panatilihin ang kapayapaan at pag-ibig. Kapag nakikita natin ito kahit sa ibang kongregasyon o bansa, tumitibay ang tiwalang ginagamit ni Jehova ang bayan niya. (**Juan 13:34, 35**)

ANS2 — DEEPER

EN John 13:34, 35 teaches me that love is identifying evidence. Jehovah does not just organize people to work; he teaches them to love. That draws me closer to him because the brotherhood reflects his personality. Our unity is not perfect because we are perfect; it is remarkable because Jehovah is backing us.

TL Itinuturo ng Juan 13:34, 35 na ang pag-ibig ay identifying evidence. Hindi lang inoorganisa ni Jehova ang tao para gumawa; tinuturuan niya silang magmahal. Mas napapalapit ako sa kaniya dahil ang kapatiran ay nagpapakita ng personalidad niya. Remarkable ang unity natin dahil sinusuportahan tayo ni Jehova.

NEVER LEAVE JEHOVAH / HUWAG MONG IWAN SI JEHOVA

17-18. *What challenging situations might we have to face, but what can we confidently say?*

17-18. *Anong mahihirap na sitwasyon ang puwedeng mapaharap sa atin, pero ano pa rin ang masasabi natin?*

ANS1 — DIRECT

EN We may face challenging situations in these critical last days. The organization may make decisions we do not fully understand, or we may feel misunderstood or hurt by a brother or sister. Even if we do not immediately see a solution, we can remain loyal if we are convinced that Jehovah is the Creator, that the Bible is his Word, and that Jehovah's Witnesses are his people. (2 Timothy 3:1, 13)

TL Puwede tayong mapaharap sa mahihirap na sitwasyon sa mapanganib na mga huling araw. Baka may desisyon ang organisasyon na hindi natin lubos maintindihan, o baka masaktan tayo ng isang kapatid. Kahit hindi agad natin makita ang solusyon, mananatili tayong tapat kung kumbinsido tayo na si Jehova ang Maylalang, na mula sa kaniya ang Bibliya, at na ang mga Saksi ni Jehova ang bayan niya. (2 Timoteo 3:1, 13)

ANS2 — DEEPER

EN Second Timothy 3:1, 13 reminds me that difficult times should not surprise us. Jehovah told us what the last days would be like. That warning is loving because it prepares us emotionally. When a hard situation comes, I can say what Peter said: "Whom shall we go away to?" There is no better place than with Jehovah.

TL Ipinaaalala ng 2 Timoteo 3:1, 13 na hindi na tayo dapat magulat sa hirap ng mga huling araw. Sinabi na ito ni Jehova. Maibigin ang babala niya dahil inihahanda tayo emotionally. Kapag may mahirap na sitwasyon, masasabi natin gaya ni Pedro: "Kanino kami pupunta?" Wala nang mas mabuting lugar kaysa kay Jehova.

HOW CAN THESE THREE TRUTHS HELP US WHEN TESTS ARISE? / KAPAG MAY PINAGDADAANAN TAYO, PAANO MAKAKATULONG SA ATIN ANG MGA KATOTOHANANG ITO?

Jehovah is the Creator

Si Jehova ang Maylalang

ANS1 — DIRECT

EN Knowing that Jehovah is the Creator helps us remain loyal because it proves he is worthy of our worship and powerful enough to help us. When we meditate on creation, we remember that Jehovah can deliver us from trials. That conviction protects us when Satan's world tries to make us doubt God's existence or care.

(**Revelation 4:11; Hebrews 11:6**)

TL Ang pagkaalam na si Jehova ang Maylalang ay tumutulong sa atin na manatiling tapat dahil pinatutunayan nito na karapat-dapat siyang sambahin at makapangyarihan siyang tumulong. Kapag binubulay-bulay natin ang creation, naaalala nating kaya ni Jehova na iligtas tayo sa pagsubok. Pinoprotektahan tayo ng conviction na iyan laban sa pagdududa. (**Apocalipsis 4:11; Hebreo 11:6**)

ANS2 — DEEPER

EN This truth draws me close to Jehovah because creation shows both power and personality. Revelation 4:11 reminds me that Jehovah made all things, and Hebrews 11:6 reminds me that he rewards those seeking him. So creation does not just tell me Jehovah is real; it helps me trust that he is powerful and caring.

TL Mas napapalapit ako kay Jehova dahil ipinapakita ng creation ang kapangyarihan at personalidad niya. Ipinaaalala ng Apocalipsis 4:11 na nilalang ni Jehova ang lahat, at ng Hebreo 11:6 na ginagantimpalaan niya ang humahanap sa kaniya. Kaya ang creation ay hindi lang ebidensiyang totoo siya; tumutulong din ito na magtiwala akong makapangyarihan at mapagmalasakit siya.

The Bible is God's Word

Mula sa Diyos ang Bibliya

ANS1 — DIRECT

EN Knowing that the Bible is God's Word helps us remain loyal because it gives us Jehovah's direction and answers life's important questions. Its accuracy, harmony, timeless advice, and fulfilled prophecy strengthen our confidence. When tests come, we can rely on the Bible as Jehovah's message, not merely human wisdom. (2 Timothy 3:16, 17; Joshua 23:14)

TL Ang pagkaalam na mula sa Diyos ang Bibliya ay tumutulong sa atin na manatiling tapat dahil nagbibigay ito ng direksiyon ni Jehova at sagot sa mahahalagang tanong sa buhay. Pinapatibay ng accuracy, harmony, practical na payo, at natupad na hula ang tiwala natin. Kapag may pagsubok, makakaasa tayo sa Bibliya bilang mensahe ni Jehova. (2 Timoteo 3:16, 17; Josue 23:14)

ANS2 — DEEPER

EN This truth makes Jehovah feel close because the Bible is how he speaks to us. Second Timothy 3:16, 17 shows that his words can correct and equip us. Jehovah does not leave us guessing during tests of faith. He gives counsel that is reliable enough to build our life on.

TL Pinapalapit ako ng katotohanang ito kay Jehova dahil ang Bibliya ang paraan niya ng pakikipag-usap sa atin. Ipinapakita ng 2 Timoteo 3:16, 17 na ang kaniyang salita ay nagtutuwid at nagsasanay. Hindi tayo hinahayaan ni Jehova na manghula kapag may test of faith; nagbibigay siya ng maaasahang payo.

Jehovah is backing his people today

Ang mga Saksi ni Jehova ang bayan ng Diyos

ANS1 — DIRECT

- EN** Knowing that Jehovah is backing his people today helps us remain loyal because we see the evidence: Jehovah's Witnesses conform to Bible standards, preach the Kingdom worldwide, make Jehovah's name known, and show love and unity. These signs help us stay convinced that Jehovah is using his people to accomplish his will. (**Matthew 7:20, 21; Matthew 24:14; Isaiah 43:10; John 13:34, 35**)
- TL** Ang pagkaalam na sinusupportahan ni Jehova ang bayan niya ngayon ay tumutulong sa atin na manatiling tapat dahil nakikita natin ang ebidensiya: sinusunod ng mga Saksi ni Jehova ang pamantayan ng Bibliya, ipinapangaral ang Kaharian sa buong lupa, ipinapakilala ang pangalan ni Jehova, at nagpapakita ng pag-ibig at pagkakaisa. (**Mateo 7:20, 21; Mateo 24:14; Isaias 43:10; Juan 13:34, 35**)

ANS2 — DEEPER

- EN** This truth gives me stability when something in the congregation or organization is hard to understand. Jehovah's backing is seen in the overall fruit, not in whether I understand every detail immediately. That helps me stay humble, patient, and loyal while I keep looking at the evidence of Jehovah's blessing.
- TL** Pinapatatag ako ng katotohanang ito kapag may bagay sa kongregasyon o organisasyon na hindi ko agad maintindihan. Nakikita ang suporta ni Jehova sa kabuuang bunga, hindi sa kung naiintindihan ko agad ang bawat detalye. Tinutulungan ako nitong manatiling humble, patient, at loyal habang tinitingnan ang ebidensiya ng pagpapala ni Jehova.
