Changes to Fast Deposit Bags

According to our records you currently use the Fast Deposit Bag facility at ANZ. From 1 September 2018, we changed the way we accept these deposits.

What does this mean for you?

All Fast Deposit Bags, must include a deposit slip with the name of the authorised signatory of the account.

Please note ANZ retains the right, at its discretion, not to accept or process an ANZ Fast Deposit Bag if you have not been identified by ANZ as required by law. ANZ may hold the deposit in a suspense account until identification has been provided by you.

Need more information?

If you would like more information, please refer to our ANZ Fast Deposit Terms and Conditions and Getting Started guide (both are enclosed).

Kind regards
