Main Hall aircon (old refrigerant)	Tyrone / Jeff	Letter sent to Branch — decision pending: top-up vs replace
Chair repairs	Joel	Update provided
BWoF compliance — IQP 12A forms	Joel / Mark Weare	Awaiting update — submission to compliance company

3. Working Bee — Agreed

Winter Leaves Maintenance scheduled.

- Primary date: Saturday, 18 July 2026
- Backup date: Saturday, 25 July 2026

4. Q2 Checklist Review

Each overseer reviewed Q2 job cards (April – June 2026). Job-card files are stored in the respective area subfolders under Maintenance/2026/q2/. Status to be updated by each overseer.

5. Building Warrant of Fitness (BWof)

- Previous failure attributed to FFP adding requirements without notification.
- Weekly safety-check sign-off by attendant now in place.
- Update still required from Joel Preece / Ross Pratt.
- Outstanding: complete B-20, collect 12A forms from IQPs, submit to compliance company.

6. General Business

Discussion items:

- Civil (Maarten): Creche — foyer attendant to be more alert; water cooler with cups; add 2–3 chairs; breastfeeding toggle sign for foyer attendant.
- Electrical (Tyrone): Fresh-air intake fan rewired (part of heat pump). Main Hall aircon refrigerant — letter sent to Branch.
- Technical (Campbell): Foyer speaker for entrance attendant.
- Equipment (Sean): Longer vacuum pipe.
- Building: Door frame to be painted (Sean to identify).

Upcoming projects:

- Security Systems — pending approval.

Budget & procurement requests:

- Security camera, alarms, tablet, hard drive for camera
- Aircon replacement
- Dyson vacuum battery
- Longer vacuum cleaner pipe
- Paints (Jeff Leach)
